Please

Dear My Teacher 5

Fumuru Kaoru (27)
High school teacher very popular with the students. Her over serious behaviour is the only flaw in her perfect demeanor.

Haruki Mikato (17)
Graduate highschool student, easily annoyed, but right now it hides her feelings towards Kaoru who quite thought.

Saezou Erina (27)
Kaoru's first love. Mother of one.

Tsutsi Kaoru (17)
Classmate of Mikato, she surely knew Mikato would be a handful but

I will confess to Kaoru-sensei once more at the graduation ceremony and I will ask her about her true feelings. I will keep this promise deep in my heart. I want to deepen our relationship while staying in a teacher-student relationship. On one of these days Kaoru's first love Erina showed up in front of us. With the help of Mikato, Kaoru got over the true meaning of the words that traumatized her and resolve a misunderstanding with her. The feelings between Mikato and Kaoru got even stronger, but...

IS IT
BECOMING
A TUMOUR?

WHY...

DO
TUMORS...

ANY
OTHER
SIGN...

it surely
will happen,
but...

Kanmurasaki
is getting
concerned
by a lot of
students too.

And the
fact that
I'm a lesbian

—Oh
dear!

There are
quite some...

...and

BECAUSE
OF ME,

EVERY-
BODY
WILL...

Please
reply with
something
self-assured
like before!

What's
wrong?

Karen
is an
adult,
she will
be the one
who will
have
to take
responsi-
bility.

Keep
that in
mind.

"SHE WILL BE THE ONE WHO WILL HAVE TO TAKE RESPONSIBILITY"

"Want to be a child?"

Just with my words.

Can't go to
the infirmary

and ask her?

Is her leaving
already over...?

WILL SOMEONE
UNDERSTAND
SAH?

What
should
I do?

What
must
I do?

What,
if something
happened
to her?

Return
of me.

Some
one...

WHY?

WHY
AM I

SO
CHILDISH
...?

Thank
you!!

This
really
helped...

Thanks!!

- I'M REALLY
A CHILD.

Isechi-san
just smiled!??

I CALLED TROUBLE TO
SOMEONE I
CARE FOR.

LET'S
RUN TO

A PLACE
NOBODY
WILL SEE ME.

don't
want
to stop
like this

anybody
will see or
hear me

...Akira

I HAVE
TO CHANGE

For Keaton sensei

To love her forever.

Dear My Teacher 5

Need to make you and help My name is Aja's It's already the volume 1 of Dear My Teacher The first volume was barely released in last year Consider to it's been exactly one year in one year we finished 1 volume and 1 extra volume, this is a pretty good pace and I'm enjoying drawing the series. I originally wanted to close the series in one year but that's a second The series will continue. During the week the seasons change, by leaving summer and entering fall each and every character's emotions change bit by bit. Particularly on the chapter, some people may feel Shun's halfway toward Mitsuo changed abruptly the feeling of making another extra volume about this, I think it will be completed in that book coming next year spring. Please consider taking a look at that extra volume.

Now we're going to tell what happens earlier from Masaru's point of view Once again, I would be glad if you keep enjoying Dear My Teacher is Aja's

"I will come to you," he said.

"I will definitely be Katsu-mama once more at the graduation ceremony!"

You can have a family while working too!

You are nothing, a teacher!

more thing.

Could I
